

Aisha Patel

Frontend Engineer | Vue.js and TypeScript Applications

PROFESSIONAL PROFILE

Results-driven frontend engineer with 6 years of experience developing and maintaining high-performance, user-centric web applications. Proven ability to architect and implement complex user interfaces while adhering to best practices for code quality and maintainability. Passionate about leveraging cutting-edge technologies to deliver exceptional user experiences.

WORK EXPERIENCE

Frontend Engineer (Senior) · AptoLabs (Barcelona)

2023 - Present | Barcelona, Spain

- Led the development of a new Vue.js-based customer portal, resulting in a 25% increase in user engagement and a 15% reduction in support tickets.
- Implemented a new UI component library, streamlining development workflows and reducing code redundancy by 30%.
- Collaborated with designers and product managers to ensure a seamless and intuitive user experience, consistently receiving positive feedback from end-users.

Frontend Engineer · InnoVision Technologies (Berlin)

2021 - 2023 | Berlin, Germany

- Developed and maintained key features for a dynamic e-commerce platform, achieving a 10% increase in average order value.
- Optimized web application performance, reducing page load times by 20% and improving overall user experience.
- Collaborated with a remote team of developers using agile methodologies to deliver high-quality software within tight deadlines.

Junior Frontend Developer · TechSpark Solutions (London)

2020 - 2021 | London, UK

- Assisted senior developers in building and maintaining responsive web applications using HTML, CSS, and JavaScript.
- Gained valuable experience working with version control systems (Git) and contributing to collaborative development projects.
- Proactively learned new technologies and frameworks to enhance skillset and contribute to team success.

EDUCATION

Bachelor of Science in Business Analytics

Universitat Politècnica de Catalunya (UPC) | 2016 - 2020

Graduated with Honors, specializing in data visualization and web analytics.

Diploma in Web Development

OpenClassrooms | 2019

Completed a comprehensive online program focused on frontend development technologies.
