jean-pierre.leclerc@example.net · +38 318 533516 · Lisbon, Portugal · linkedin.com/in/jean-pierre-leclerc

Date of birth: 22/09/2001

Dedicated Product Designer with a strong foundation in mathematics and a passion for creating user-centered experiences. Proven ability to collaborate effectively with cross-functional teams to deliver innovative and impactful product solutions. Skilled in utilizing Figma and design systems to ensure consistency and usability. Eager to contribute to a dynamic and forward-thinking company.

## WORK EXPERIENCE

### Junior Product Designer · NovaFlow Technologies (Lisbon, Portugal)

2024 - Present | Lisbon, Portugal

- Collaborated with the UX/UI team to design and develop a new mobile application, resulting in a 25% increase in user engagement within the first three months.
- Conducted user research and usability testing to identify pain points and optimize the user experience, leading to a 15% reduction in customer support tickets.
- Developed and maintained a comprehensive design system, ensuring consistency and scalability across all product touchpoints.
- Presented design concepts and prototypes to stakeholders, effectively communicating design rationale and user insights.

## EDUCATION

### BSc in Mathematics

Instituto Superior Técnico, Lisbon | 2020 - 2024

Graduated with honors, demonstrating a strong foundation in analytical and problem-solving skills.
