Date of birth: 21/06/1989

Data-driven Growth / Paid Media Manager with 9 years of experience driving revenue growth and user acquisition through effective digital marketing strategies. Proven ability to optimize campaigns across multiple platforms, including Google Ads and TikTok Ads, to achieve significant ROI. Skilled in data analysis and A/B testing to continuously improve campaign performance and customer engagement.

WORK EXPERIENCE

Growth / Paid Media Manager · Lumin Technologies (Manchester, UK)

2021 - Present | Manchester, UK

- Increased Google Ads campaign ROI by 25% within 6 months through strategic keyword targeting and ad copy optimization.
- Developed and executed TikTok Ads campaigns that resulted in a 15% increase in app downloads and a 10% boost in user engagement.
- Successfully implemented A/B testing methodologies to identify high-performing ad creatives and landing pages, leading to a 5% reduction in cost-per-acquisition (CPA).
- Generated monthly reports and presented key performance indicators (KPIs) to stakeholders, providing actionable insights and recommendations for campaign improvement.

Digital Marketing Specialist · Aether Solutions (London, UK)

2019 - 2021 | London, UK

- Managed and optimized Google Ads campaigns across multiple product lines, achieving a 10% increase in monthly website traffic and a 7% growth in sales conversions.
- Collaborated with the marketing team to develop and implement social media marketing strategies, resulting in a 20% increase in brand awareness and follower engagement.
- Utilized SEO best practices to improve website rankings and organic search visibility, leading to a 5% increase in website traffic from organic sources.
- Tracked and analyzed campaign performance data using Google Analytics, identifying areas for improvement and optimization.

Marketing Intern · Solara Inc. (Berlin, Germany)

2017 - 2019 | Berlin, Germany

- Assisted with the planning and execution of digital marketing campaigns, including email marketing, social media promotions, and content creation.
- Conducted market research and competitive analysis to identify industry trends and opportunities.
- Supported the marketing team in the development of marketing collateral, including brochures, website content, and presentation materials.
- Gained valuable experience in using marketing automation tools and CRM systems to manage customer interactions.
